

PERSONAL BRANDING & LIFESTYLE PHOTOGRAPHY

2024

'Fee Rates'

I offer product & lifestyle photography for makers, designers, crafters & shops. Whether you're after a look book of images for your new collection, product shots to show off your wares, photos of the interior of your store or creative space, images ready for your next catalogue, professional headshots & portraits, or a general image bank of fresh content for your online presence including your website, social media & blog – then I'm here with my camera ready to help!

Half Day - £450.00

- 3 hours of photography – working through your pre planned list & brief of key shots at an agreed location of your choice.
- Pre – photoshoot consultation either in person or via zoom
- Up to 2-3 outfit changes if you choose.
- An online gallery with all your expertly edited images – 150 images for you to download, delivered within 2 weeks of the shoot.
- Lighting equipment will be provided by myself (if required)
- Travel & mileage are incorporated within a 10-mile radius of NG11 6JQ (additional travel will be charged at £0.45p per mile)

Full Day - £650.00

- 6 hours of lifestyle & product photography – working through your pre planned list & brief of key product shots at a pre agreed location of your choice.
- Pre – photoshoot consultation either in person or via zoom
- Up to 2-3 outfit changes if you choose.
- An online gallery with all your expertly edited images (around 250+) for you to download, delivered within 2 weeks of the shoot.
- Lighting equipment will be provided by myself (if required)
- Travel & mileage are incorporated within a 10-mile radius of NG11 6JQ (additional travel will be charged at £0.45p per mile)
